Newsletter for Educators

## NEW IMAX® FILM: [Dream Big: Engineering Our World](#) Book your class today!

How does sticky rice help a wall last for centuries? How do you design a bridge taller than the Eiffel Tower?

"Dream Big: Engineering Our World" Educator Trailer

Inspire your students to ponder engineering marvels, and educate them about the inspiring work of engineers around the globe. Teachers are the key to kindling a passion for engineering!

For more information or to book call 780-451-3344 or visit [twose.ca/imaxschools](http://twose.ca/imaxschools).

[Download the "Dream Big" Educator Guide](#), which includes Lesson Plans for Kindergarten through Grade 8.

## Your students can learn from real scientists, face-to-face!

[Real People, Real Science \(RPRS\)](#) events at the TELUS World of Science - Edmonton (TWOSE) feature a science theme with connections to the Alberta Education Curriculum.

### [Upcoming RPRS events:](#)

- **Yuri's Day (Space Day!): Wednesday, April 12, 2017**  
Discover real martian meteorites and discover what it takes to become an astronaut.
- **Health Day: Tuesday, May 2, 2017**  
Cool hands-on animal organ dissections & learn wrap techniques for different types of injuries.

To book visit [twose.ca/realscience](http://twose.ca/realscience) or call 780-451-3344.

**That's a wrap! Let's Party!**

### Host your End-of-Year Pizza Party:

- Watch a movie -- 'in space!' Choose from titles like *The Lego Movie*, *Jurassic World*, *The Secret Life of Pets* & more!
- Eat like an astronaut! Enjoy delicious astronaut ice cream.
- Experience explosive science demonstrations and participate in awesome science activities.
- Enjoy a pizza party!

### Or better yet book the Ultimate Sleepover Program highlights:

- A giant game of survival tag!
- A "whodunnit" adventure. Find clues, dust for fingerprints & capture the criminal.
- Competitive rollercoaster builds. Loops, upside down twists & an entire science centre to build in!

Want to know more? Visit [twose.ca/endofyear](http://twose.ca/endofyear) or [twose.ca/sleepover](http://twose.ca/sleepover) or call 780-451-3344.

## Teenagers wanted to create, build and invent!

The [Science Garage Maker Club](#) (SGMC) kicks-off this April 6, 2017

Students will use their imaginations & develop new skills by soldering circuits, taking apart toys and devices, working with wood and more. The result -- the creation of their own boxcar racers and to launch their own rockets!

Visit [twose.ca/makerclub](http://twose.ca/makerclub)

## Treat your students to a FREE Field Trip to TWOSE!

[Apply today for the LUMEN Field Trip Scholarship.](#) Deadline for applications is April 30, 2017.

Apply at [twose.ca/LUMEN](http://twose.ca/LUMEN).
