

## ALL-NEW Real People, Real Science (RPRS) events are now available to book!

Each RPRS event has been curated by our School Programs team and aims to give your students tangible, face-to-face interactions with real scientist.

All RPRS events feature a specific science theme with connections to the Alberta Education Curriculum and each event may include Science Centre Admission, a planetarium show, science demonstrations and admission to the [Angry Birds Universe](#) exhibition.

### Upcoming RPRS events:

- **Math Fest:** Tuesday, March 14, & Wednesday, March 15, 2017
- **Meet Nobel Prize Winner:** Thursday, March 16, 2017 \*SPECIAL RATE!
- **Yuri's Day:** Wednesday, April 12, 2017
- **Health Day:** Tuesday, May 2, 2017

For more information about specific Real People, Real Science events, or to book, visit [twose.ca/realscience](http://twose.ca/realscience) or call 780-451-3344.

## Host your classes End-of-Year party under the stars at the science centre!

Sleepover programs at TWOSE are available for school groups on week nights or weekends!

Your class sleepover program can include:

- An IMAX® film
- Science demonstrations
- A visit to the Observatory (weather permitting)
- Access to permanent exhibit galleries; and best of all:
- A chance to sleep under the stars in the Margaret Zeidler Star Theatre planetarium!

For more information, or to book, visit [twose.ca/sleepover](http://twose.ca/sleepover) or call 780-451-3344.

## Apply today for valuable Scholarship Opportunities with TELUS World of Science - Edmonton (TWOSE)

TWOSE is pleased to announce that applications are now being accepted for our VEGA Scholarship and our LUMEN Field Trip Scholarship:

- The [VEGA Scholarship](#) awards credit towards a 2017 Summer Science Camp at TWOSE for the recipient. Deadline to apply is 5:00 p.m. on February 28, 2017.
- The [LUMEN Field Trip Scholarship](#) entitles your class to a free field trip to the science centre in September or October 2017. Deadline to apply is 5:00 p.m. on April 30, 2017.

For more information, or to apply, visit the [Teachers' Corner](#) section of the TWOSE website at [twose.ca/educators](http://twose.ca/educators).

## Information for parents: Spring Break Camps are nearly SOLD OUT and registration for Summer Camps is now open!

Camps at TWISE are always a popular option for parents looking for fun and engaging ways to keep their child's hands and minds busy!

- [Spring Break Camps](#) run March 27 through March 31
- [Summer Science Camps](#) run July 4 through August 26

Pre and post care is also available and provides busy parents with early drop-off (beginning at 7:30 a.m.) and late pick-up from camps (ending at 5:30 p.m.).

For more information, or to register visit [twose.ca/springcamps](http://twose.ca/springcamps) and [twose.ca/summercamps](http://twose.ca/summercamps), or call 780-451-3344.

## The TELUS World of Science - Edmonton could be your classroom!

Applications are now open for the 2017-18 school year

Science School is designed to inspire students to explore STEM disciplines (Science, Technology, Engineering, and Math) through collaborative design projects, guided explorations of the natural environment, experimentation with engineering and technology, and inquiry based learning.

To learn how you can treat your class to a full week of immersive, inquiry-based learning at the science centre, visit [twose.ca/scienceschool](http://twose.ca/scienceschool).

## Behold the secrets of a forgotten time... [Mysteries of China](#) now showing!

*Mysteries of China* captures one of the greatest archaeological events in modern times, piecing together the history of the First Emperor of China, and the unearthing and discovery of his famous Terracotta Warriors.

Add an IMAX film to your class field trip for just \$5.00 per student & teacher/chaperone.

Visit [twose.ca/educators](http://twose.ca/educators), or call 780-451-3344 to book.

[Watch the Trailer](#) Rated: G

## The *Angry Birds* are flying the coop! *Angry Birds Universe* exhibition is in it's FINAL WEEKS! Ends April 17, 2017!

Don't miss this incredible opportunity for your class to experience this blockbuster exhibition before the *Angry Birds* leave the nest!

Your students will embark on a wild adventure where science, technology, engineering, arts, and mathematics are taught in an immersive, engaging environment!

For more information, or to book, visit [twose.ca/ABUSchools](http://twose.ca/ABUSchools) or call 780-451-3344.
